Better Education For USD #205

Working for Superintendent Schuetz as his secretary, Kathy Snider was responsible for numerous duties including the monthly NEWSLETTER

Comments From The Superintendent

This year has been a year of investigation and mind-sorting. Many areas of change have been discussed, studied, and in some cases partially initiated. These areas of change extend to the extremes of the educational picture, all the way from activities through and including curriculum.

As these changes are initiated and tested, some very constructive outcomes are anticipated. During this school year, we have witnessed additions to girls athletics, combination of some athletic programs at the elementary level, additions of curriculum, along with many other small items that have helped to make a more well-rounded program for the students of USD #205.

As long as the philosophy of good sound education, along with the ability to modify, is incorporated, this district will continue to offer an ever improved program to the best advantage of the students.

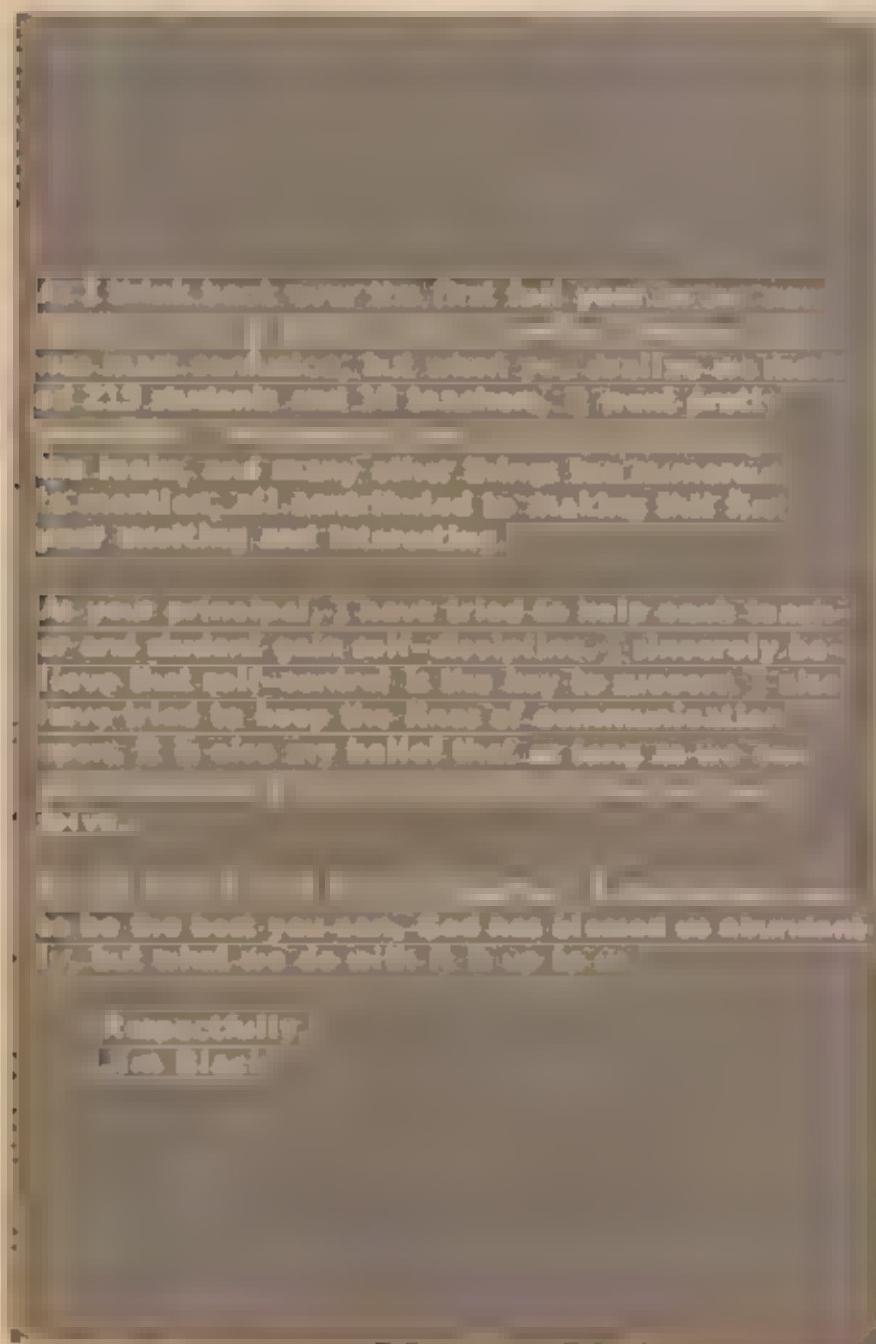

Sincerely,

L. Gerald Schuetz,

The Class Of '75 At Work And Play

Seniors Look To The Future

Keep the moments as best you can. Remember the faces, the fun, the tears.
Keep a warm ember alive in your heart, To fan alive in future years.
Carry on, for your care is needed, and your love is sorely missed.

From the 1970's Senior year up to 1975 graduation is a lot of roads taken. Many things have happened during this time span, including the loss of a beloved classmate, making the Class of 75 realize that nothing is permanent, and high school and its memories are no exception to this rule.

One thinks that they will never forget all that class party, the change from the old high school to the new, or working in the concession stand to make money for the prom and last but not least, the senior trip to "Worlds of Fun".

Even though we now remember these years with brightness, some day these memories will dim and fade, making "every yesterday" day a dream of happiness.

the road to success
in the Junior Class.

The Junior Class of '76 started the year with hopes of becoming part of the school activities and the relief of finally becoming senior citizens.

The association class, known as "Webs at the Service," had their first big project to raise money for the preschool benefits. A lot of effort and work was also put into a big project for the class' Senior play.

The class became united as one in their final steps to the future.

Sophomores

It Was An Enterprising Year

"Though a man be wise, it is no shame for him to live and learn."

Sophocles

The sophomores came to their second year at BHS, wary of where they would be placed. When they were freshmen they were hassled by everyone and paid attention to by no one. As sophomores, would they be the same? No!! The sophomores proved themselves to be more mature than when they were freshmen by many of the things they accomplished through out the year.

At the carnival, the sophomores had three booths, a spook house, a bowling booth, and the country store, thus capturing the second largest amount of money. They also served at a pork dinner in El Dorado which boosted their class fund by \$150.

Another fun project was a very elaborate pigskin and leather jacket a head full of days of being upper classmen.

Freshmen

Beginning At The Beginning Is

"I see not a step

Brainard

The Freshmen had many changes to cope with in the first few days at BHS. Almost any freshmen could be heard saying, "I can't find my way around," or "I can't get my locker open."

Days were filled with learning how to drive, wet hair from having gym, self-identifying, mini-world history, and the usual basics of English and math. The nights brought games, dances, programs, and the fortune-telling booth at the carnival -- all culminating in the thrill of being in high school.

L to R: Senior Football Players: Lyle Wolf, Don Linnell, Bob Heitzenrater, Junior Zogleman.

It was a "building year" for Head Coach Bill Richey. Even though the 1974-75 season ended with a 3-6 record, Coach Richey and Assistant Coach Sam Phillipi were working to restructure the group into a winning team for the future.

Four seniors were out and they gained a lot of support from BHS underclassmen. Together, they helped to make the team tough. The seniors provided leadership and helped to show the freshmen and sophomores what they needed to know.

There were three outstanding Bluestem players chosen All-League by the coaches of the South Central Kansas League. They were Todd Kingsley, junior, second team defensive halfback; Dale Denner, junior, second team offensive tackle; and Lyle Wolf, senior second team tight end.

Even though the records show the Bluestem Lions were not the best, spirit was high with hopes for a better season next year when Coach Richey and his team will have a better understanding of each other.

Deandra Daniels, was crowned 1974 Homecoming Princess on September 27, 1974, during half-time of the Bluestem-Rose Hill game.

Attendants were Mona Boone and Peggy Hearme. Captain was Kyle Dawson and escorts were Junior Zogleman and Todd Kingsley. It was a night of rain and bad luck for Bluestem Lions because Rose Hill won by a score of 28-0.

After the game Princess Deandra was honored at a dance in the wrestling area with the "Homecoming 75" theme being decorated with fall colors. Stucco provided Disc Jockey, Ken Clifford, for the music and entertainment.

According to new Cross Country Coach Stephen Cost, the team, as a whole, did really well, with six runners out for the '74-'75 season. The competition from other schools was very stiff; however one DHS cross country runner, Craig McElroy, placed in the top ten at the regionals.

Although most of the team was inexperienced at long distance running, the group, as a whole, worked hard all season both at running and improving their times for future track events.

Winning

State Wrestlers Clockwise: Vincent McClellan, Neil Boyce, Dale Denner, Todd Kingsley. Not pictured is Don Carbon.

The BHS grappler's season was full of ups and downs, ending with a 2-10 Dual Record. This was due to the fact that there were many open weights causing forfeits which resulted in an unfavorable team record. As in other sports where there is one man competing against another, there were outstanding matches and individual triumphs.

The ups were when the team brought back a nice first place trophy from the Caney Valley and when five wrestlers went on to State. The downs were when Don Carbon broke his nose and the team lost David Wilson and Jerry Schafer due to injuries.

According to Coach Samuel Phillipi, "The year was pretty good--considering the circumstances."

"Moments to Remember" was the theme for the 1974-75 Wrestling Homecoming. On January 30, 1974, in the gymnasium, Mona Boone, senior, was crowned Wrestling Homecoming Princess before the start of a dual between Leon and Maize.

Mona was crowned and given the traditional kiss by Senior Captain Don Carbon. The attendants were Diane Hiedeman, Vincent McClellan and Carey Flattery, Neil Boyce. The Junior attendants were Stacy Bevans and Cina Barnes.

Even though the Homecoming match was exciting for the large crowd in attendance, it ended in a narrow defeat for the Lion Matmen, 28-27.

After the match, Princess Mona and her court were honored by Stuco with a dance. Charlie Cusack, a disc jockey from KLEO, provided the dancers with music and entertainment.

Varsity L to R: Bob P Icher, Monte King, Dan O Bryan, Clint Carson, Roger Scovell, Craig McElroy, Don Linnell, Lyle Wolf, Doug Bohannon.

Despite the loss of their first four games, the BHS Varsity Basketball team under the direction of a new coach, Lowell Harp, gained new life and came back with a victory over Dexter, 60-52.

The boys showed great progress as the year continued even though they lost many games. Then the hard work and effort that was put into practices and games proved worthwhile when they defeated South Haven, 63-49.

Although this year was not a winning one for the Lions, the team looked toward the future in hopes of a better season in '75-'76.

The Drill Team began their year with ten enthusiastic members under the direction of Mr. John Templin, sponsor. The on-the-go members attended a camp in the summer and a spirit day in the fall, both at Wichita. They went to K-State and marched for band day, and performed at many of the BHS home games. The squad enjoyed performing numerous times the '50's routine to the tune of "Surfin' Safari".

Their money-making projects included the concession stand at the carnival and selling programs at the tournaments. All in all, the Drill Team had a very "spirited" year.

Cheerleaders

Cheerleaders Work Hard

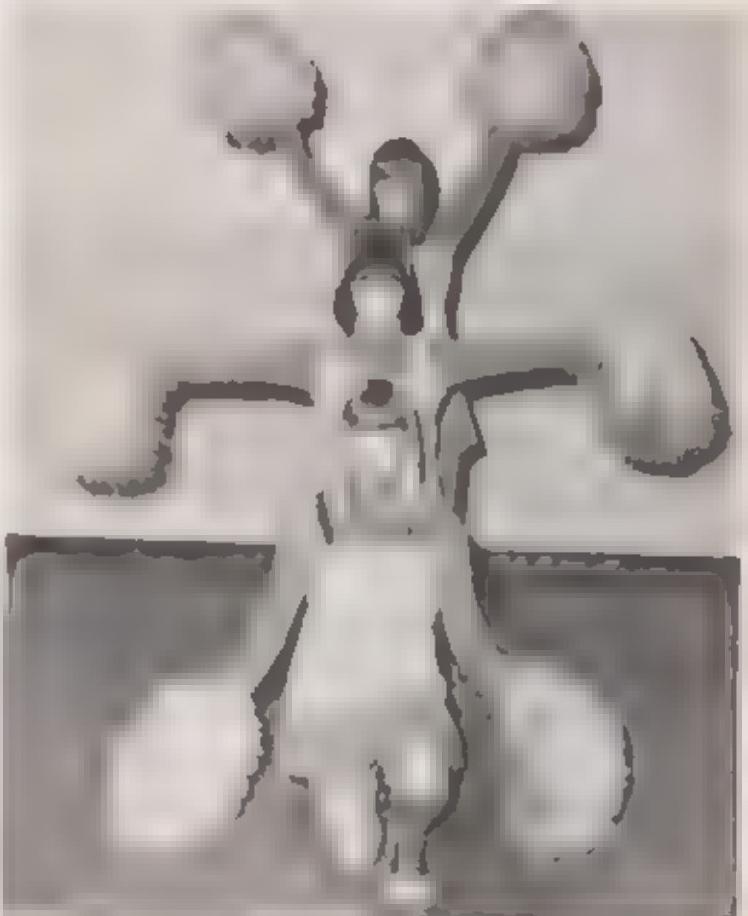

Woo! Hoo! Hoo! Oklahoma cheerleaders! These sportswomen were each specifically chosen to lead the spirit shows at the big sports events. They were picked by the student body because of their ability to do the required stunts on two-inch pegs, they had on how loud and well their voices carried.

The "A" and "B" Team cheerleaders, chosen in the spring, attended cheerleading camp at Oklahoma University during the summer. The Freshmen cheerleaders were chosen in the fall. The girls practiced once or twice a week to have themselves fit for the school year.

All in all, it was a busy year for the girls to blue and gold.

Journalism

Journalists Face Deadlines

Chaos reigned supreme as the fifteen members of the Journalism staff struggled to meet yearbook and newspaper deadlines. Long hours after school and "close calls" on Fridays when the paper came out added to the loss of smiles sometimes and the jangling of nerves.

With a new teacher and only one second year Journalism student, it was clear that it was going to be an "interesting" year.

Everyone learned how to work together to raffle turkeys, to sell ads for yearbook and Valentine's Day, and last and possibly not least, how to get a newspaper out every two weeks and a reasonable facsimile of a yearbook out without rattling Mrs. Patterson too much!

"A" Clubs Need Money"

The BHS Lettermen, sponsored by Coach Bill Richey, Coach Stephen Cost, Coach Samuel Phillipi, and Coach Lowell Harp, decreased slightly in size from the previous year; however, their members worked very hard to earn enough money to pay off their big debt—the weight machine.

In order to get money for this expense, the Lettermen took charge of the concession stand at tournaments, and at the All-School Carnival, they managed two booths—the football throw and the weight machine. Thanks to these projects, the club was able to pay off a large sum of the debt by the end of the year.

Student Council's aim for the 1974-75 school term was to be "a more effective service organization," commented Mr. Phillip, Stuco sponsor. In an effort to achieve this aim, Stuco officers began last summer by attending a workshop for Student Councils at Emporia. This workshop helped them plan for the '74-'75 year.

Stuco's projects were numerous this past year. They included the following: bartending disc jockeys for homecoming, decorating for homecoming dances, and sponsoring the all-school intramural volleyball tournament. Money making projects included the fish pond at the All-School Carnival, providing a new ice cream machine, and having the ever-popular pop machine.

The Chess and Library Clubs were two new additions to BHS in '74-'75.

The Chess Club, under the supervision of Mr. Black and Mr. Ingram, was created for those that already knew the rules of the game, or those students interested in learning to play. The Club met during the last hour of the school day to have tournaments and to enjoy a well liked world game.

The Library Club was established as a special interest group to help promote public relations with the library. This group formed by Librarian Ed Bogart, usually held meetings after school, the second Wednesday of each month.

Two of their main projects were having a turkey raffle booth at the carnival and making posters and selling books for National Library Week in April.

Activities in the fall included the annual Soup Supper, the Sing-Out at the Mid-America Nursing Home, District Fall Conference, and the members wound down 1974 with the gala Christmas Dance. The new year started out with a bang as Bluestem hosted the District Elections. Then came Valentine's Day. Next there was the Father-Daughter Box Supper, at which girls and their fathers enjoyed an evening filled with decorated box lunches & singout and contests. Finally came State meeting and election of the Bluestem 1975-76 officers.

Miss Susan Petersen, F.H.A. President, reigned as Sweetheart Princess at the annual F.H.A. Christmas Formal on December 20. The 15 foot Christmas tree, the winter scene, and theme of blue and silver set the mood for the nostalgic evening entitled "IF". Susan was crowned by her escort, Junior Zogleman, at the beginning of the dance and presented a beautiful tiara and arm bouquet of long stemmed red roses. First runner-up, Miss Judy Wedman, was escorted by Kevin Dawson and second-runner up, Miss Geri Schuetz, was escorted by Marty Junghanns. Each runner-up received a single long stemmed red rose and a tiara. The music for the evening was provided by KLEO Disc Jockey, John Landers.

Memories from this year's music activities will long be remembered. The first big event for the Vocal Music Department, under the direction of Mrs. Karen Davis, was at Christmas time when all the groups, Mixed Chorus, Girls Glee, Mixed Ensemble, Freshmen Girls, and Valettes joined together for a program.

The next event to prepare for were the contests. After long hours of practice and a special performance of contest numbers entitled "Sing For Joy," the BHS vocal groups finally hit "pay dirt" with a flood of "I" ratings at League Contest. Next was on to State Contest at Emporia where the Valettes and Wanda Schouten pulled a "I" out of the hat.

The Spring brought a pop concert and musical numbers for graduation. It was not only a tough year competition-wise for the vocal groups, but also one of satisfaction and enjoyment.

Juniors Proudly Present "Girl Shy"

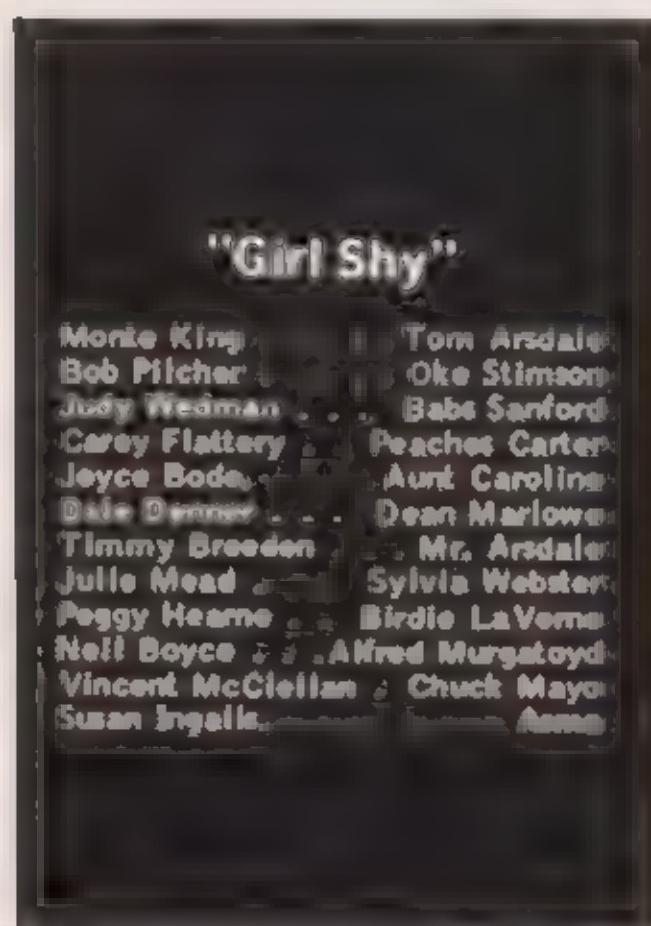

The 1974-75 Juniors performed "Girl Shy" on the night of May 6 as their annual presentation. Under the direction of Mrs. Catherine Sturges and Mr. Larry Goodwin, the Juniors put in a lot of hard work and extra hours to capture the audience. It was concluded to be a very professional job by the auditorium's full house.

The play centers around Tom and Oke two gentlemen about to graduate from college. However, before graduation a problem arises: Tom's father arrives with the "girl from home" whom he wants Tom to marry. To complicate things Babs Sanford, a girl on campus, is doing everything in her power to make Tom fall in love with her. Girl shy Tom tries to avoid Babs, but in the end, falls in love with her anyway. Meanwhile, several romances bloom on stage and the play ends in happiness.

The Juniors presented to Mrs. Sturges and Mr. Goodwin a potted flower which the playcast asked to be planted somewhere around the school in memory of the play. Following the play a reception was held in the Home Ec. room for everyone associated with the play. At the reception Mrs. Sturges was presented with a redwood reclining lawn chair and Mr. Goodwin received a \$10 gift certificate.

The 1974-75 Speech and Drama Contest students had a rewarding year. The department members got their feet "wet" when they ventured to League Contest at Argonia, March 3. The results were very good with 10 gold medals for "I" ratings.

Then on March 11, a fewer number of students attended the Flint Hills Invitational Festival because of other conflicts. Two medals were received for "I" ratings.

In preparation for State, the Regional Contest was next at Kansas Newman College, March 22, in Wichita. Then, the following week the group's journey came to an end at State Contest on April 12, at Southwestern College, Winfield. State Contest provided a success for all and especially for one member of the group, Senior Nancy Watkins, who achieved a "I" rating and a gold medal for Prose Interpretation.

Tribute Paid To Mr. Vernon Henn

Mr. Vernon Henn was elected as a member of the U.S.D. #250 School Board on July 1, 1969, and 1973 he was reelected for a four year term. Before his death on August 23, 1975, he served as Secretary of the U.S.D. #205 and Representative for the Butler County School Council.

During his terms as board member, he continually worked for the good of Bluestem. He succeeded in his attempts to get the bond passed for the new school. After the school was completed, he used his farm machinery to put in the new grass on the front lawn.

Mr. Henn was well liked and well known as a farmer and stockman in rural Leon. His family includes his wife, Wanda, three daughters, Leslie, who graduated from Leon High in 1973, Mary Ellen, a graduate of Bluestem in 1974, and Martha, an eighth grader at Leon Grade, one son, Don, a sophomore at Bluestem.

The band was arranged by Mrs. H. C. Lewis, faculty music director. It includes students from the school, parents, teachers and friends, except toes and gravy were prepared by Mrs. Evelyn Bowley, Mrs. Edna Morrissey, and Mrs. C. C. Morrissey, their mothers and four fathers. The two robbers, our guests, the students were Mr. W. E. Bill Wolf, Bruce Proctor, Leo Harvey, George Johnson, Chris Morrissey, and Mr. L. L. Seidenberg, all electrical junior class. Miss President, Martha K. M., the contest grand prize winner, Miss Bonnie, a young teacher for the evening, met at school to be our partner.

At 8:30 pm the first party was invited to the garden scene of pastel colors. Couples entered the wrestling area through a narrow flowered archway. Tables in this area were arranged with spring flowers, candles, and pictures of the current celebrities. Food and drinks were served by Head Sopranos or Servers, D.L., B.J., and T.M. Water. From this part, couples could descend to the garden below on the gym floor to view several pictures taken. Decorations here included a flowing fountain and a garden swing. The band, the Mr. and Mrs. Captivated and dancing until midnight.
